

## ELECTRIC POOL CLEANER

V600 A

TRANSFO./CABLE MOTOR

Control your pool cleaner from your deckchair

## ELECTRIC POOL CLEANER

# V600 A

### + CONNECTED

- Set and run your cleaning preferences from your smartphone: cycle selection, delayed start, set programmes
- Be informed of the robot's status without moving: display of the remaining cycle time, alert messages
- Your smartphone becomes a manual remote control for targeted control of your robot
- Easy operation via Bluetooth

### + CONVENIENT

- Intelligent navigation to optimise the movement of the robot and the cleaning time of the pool
- 18 m cable with swivel (swivel connection to prevent the cable from winding up)
- New 4D filter tray, transparent and accessible from the top, easy to clean

### + VERSATILE

- Suitable for all types of pool shapes and surfaces, up to 100 m<sup>2</sup>
- Operates a complete cleaning of the bottom, the wall and the water line
- 3 cleaning programmes (1h30, 2h or 2h30) to suit your needs

### ▶ ALSO

Low power consumption  
( < 150 W )

New  
trolley  
included
