- For all bubble and foam covers.

NEPTUNE

REEL SYSTEM

MOTOR

For pools up to 16.00 x 25.00 m.

CHARACTERISTICS

- Available in manuel or motorized version.
- Ideal for rolling up foam covers.
- Equipped with double tube.
- Electrolytic treatment.

FOR WHICH COVERS?

- For all bubble and foam covers.

USEFUL TO KNOW

Choose an electric version now as it costs more to convert a manual Jupiter 2 and manual Neptune reel system to a motorised version later.

THINK ABOUT IT

Discover our full range of bubble covers and their specifications at del-piscine.fr.

Read carefully and keep for futur reference.

Warranty:

3 years warranty on Motorized borne, Delinox, Mural, Orion, Vega, Jupiter 2, Neptune, except the electrical part (control boxes and motor) which is guaranteed for 2 years.
