

BAR COVER ACCESSORIES
PADOLO

THE NEW MOTORISED
SAFETY-COVER REEL SYSTEM.

BAR COVER ACCESSORIES

PADOLO

Choose peace of mind with this fast, powerful and practical reel system for covers up to 6 x 12 m.

With its modern, compact design (light grey, 33 cm high), it consists of two removable carriages (one motorised and one follower) carrying the cover. Its 125 mm-diameter wheels leave no marks.

Padolo is designed for use on in-ground pools with a hard, level rolling surface.

Compact, mobile carriages supporting the cover.

Allows the cover to be pulled back and clears the edge of the pool.

THE PRODUCTS

PRACTICAL

- Pushes the cover onto the surrounding deck to clear the pool edge for swimming.
- Radio remote control to open the pool effortlessly: comfortable and easy for everyone to use.
- Extremely simple setup: delivered ready to use, with no work required on the pool. Prevents the cover from dragging on the ground during manoeuvres.
- Self-contained system with onboard battery. Battery life of up to 40 open-close cycles.

FAST

- Able to roll up the cover in 40 seconds (for an 8 m long pool).
- Fast battery recharge (2 hours) from the mains via a socket built into the motorised carriage, with charger supplied.

POWERFUL

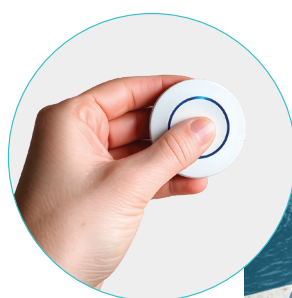

- Padolo is designed to roll up bar covers up to 12 m long and 6 m wide (i.e. pools of 11.5 x 5.5 m). Contact us for covers larger than 11 x 5.5 m (i.e. pools of 10.5 x 5 m) to check compatibility.

OPTION

Padolo is fitted with a 15 mm male square drive for compatibility with the full DEL range and most of the market.

A male/female winding adapter is available as an option. Compatible with covers fitted with a male-end bar, this female adapter ensures perfect compatibility with the reel system.

Padolo is designed to roll up bar covers up to 12 m x 6 m (i.e. pools of 11.5 x 5.5 m). In some cases, however, the maximum cover size must be reduced to 11 m x 5.5 m (i.e. pools of 10.5 x 5 m). This applies in particular to pools fitted with curved coping stones or coping laid as an extra thickness on the deck. Consult CF Group support for pool-equipment projects beyond these dimensions

2 removable, stylish trolleys.
