

ABOVE-GROUND SLATTED COVER **PURE SERIE**

A MODERN & ELEGANT DESIGN
TO COMPLEMENT YOUR GARDEN.

ABOVE-GROUND SLATTED COVER

PURE SERIE

PRODUCT BONUS

AESTHETICS

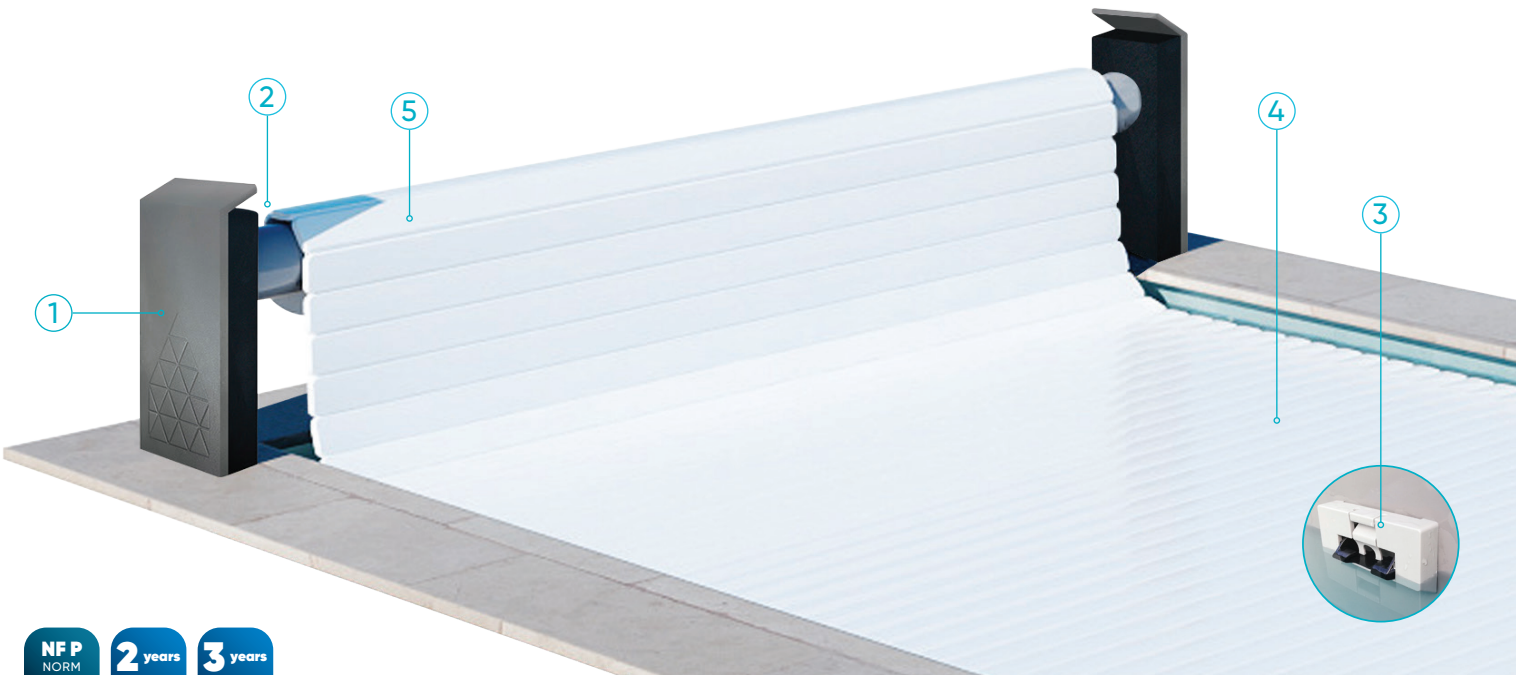

- A unique design combining elegance with a compact footprint.
- The textured painted aluminum front panel adds a distinctive touch of modern elegance.

CUSTOMIZATION

- A choice of 3 end-stand colours for seamless integration into your garden.

DURABILITY

- Sustainable end-stands: made from recycled and 100% recyclable materials.
- Painted aluminium on the front panel for exceptional durability.

Cover available in accordance with NF P90-308 for pool from 2.00 x 3.00 m and up to 5.00 x 13.50 m.

1 END-STANDS

- Dock: black polypropylene.
- Front: aluminium with textured paint.

2 MOTORISATION

Tubular electric motor:

- Adjustable mechanical ends-of-runs, free-wheeling motor (used to unroll the slats in case of a motor breakdown and to keep the pool safe despite the absence of electricity).
- The lifespan of the motor is longer and therefore the weight of the cover.
- Electrical control box available in 2 versions:
 - Plug and Start box easy to install even for non professional electrician (power socket, external connectors and front-facing controls).
 - Box with traditional wiring and resettable circuit breaker.

Controlled by key switch or Wi-Key.

3 LOCKING KITS

4 SLATS

- Opaque PVC 84 slats, solar polycarbonate slats or opaque PVC 69 slats.

5 ALUMINIUM TUBE

YOUR SLATS CHOICE

All our slats have a quality finish and are compliant with the NF P90-308 standard.
